

Renaissance Academy Chartered Bus Sign Up

RA HIGH is in the process of leasing two chartered school busses to transport students to and from the 98th Street School each day. We highly recommend this solution to your students' transportation needs as it will be safer, ecologically correct, time saving for parents, and most importantly will help get children to school on time.

Currently, we have the red line set-up, a second green line can be added if there is enough interest. Timetables have not been established yet.

The cost of leasing the bus will be paid for by families, and shared by the total number of riders.

If we do it right, and get a minimum of 41 student riders per bus, the cost will be about \$6/day. Currently we are estimating costs at about \$120 per month maximum per rider. We are also trying to make scholarships available to families with the greatest need. The more that families can give to the bus in advance, the better chance we have of getting the busses rolling.

If you plan to join in on the bussing adventure, please have your student return this completed form with payment to the school office by **Friday, February 10, 2006**.

Student Name(s): _____

Parent/Guardian Name(s): _____

Street Address: _____

City and Zip Code: _____

Phone Number: _____

Route (please check one) –

RED [] - Coastal and West Valley communities (northwest of LAX) - Route starts at PCH and Topanga Canyon

Payment enclosed for student \$ _____ (minimum \$120 per month) x _____ month(s)

Additional scholarship donation included \$ _____ (no minimum)

Need Scholarship? Yes [] No [] Amount needed? \$ _____ month
